## Yearly Registration P'Sghetti Day Donations

### It's that time again!

Time to start a new school year and complete our  
yearly registration packet.

We are going to e-mail out all registration packets  
by August 1, 2018, you will be able to fill them out  
and e-mail them back to us.

Unfortunately you will still have to get a current medical report  
signed by your child's pediatrician if it is not up to date, so you will  
need to print that page out or ask us for a paper copy. All children  
will also need a current shot record for their file, you can scan it and  
e-mail it with your packet or fax it to 505-247-1542.

If you find its easier to fill out a paper copy of the registration  
packet you request one at the front desk.
