

Contributing to First Church by Credit Card

First Church is now able to offer members the opportunity to have their church contribution charged to their credit card through the Helping.org website. Helping.org is the AOL Foundation's philanthropic arm which generously pays all merchant fees associated with credit card charges for qualifying non-profit organizations. When using Helping.org to contribute to First Church, your transaction is completed in a secure environment and every penny of your contribution will be transferred to First Church.

If you would like for your church contribution to be charged to your credit card automatically on the first business day of each month, please complete the form below and return it to the church office, Attention: Marianne Kemp, Finance Manager. If you have questions or would like to find out more about this new program, please contact Marianne Kemp at 243-5646, ext. 20.

First Church also offers the automatic deduction of your contribution from your bank account. More information about this method is available on the reverse side of this page.
