
Our Mission

The mission of the

First UMC

Nursery is to show

and teach the love of

Jesus through our

actions and

attitudes to all of

the children and

their families.

Reminders & Updates

First United Methodist Church
NURSERY

Reminders & Updates For Parents

The First UMC Nursery Staff is proud to be a part of the United Methodist Safe Sanctuaries program, <http://www.gbod.org/ministries/family/safe/about.htm> and provide a safe place for our children. This has brought about some changes and new policies:

The Parent/Guardian must sign in their child(ren) and take a pager. The pager must be turned in when the child(ren) are signed out. We cannot take the friends of your children, unless their parents are participating in the church event and are here to sign in their child(ren).

Please remember to bring diapers, wipes, and a change of clothing for infants and young children and label all their belongings.

First UMC is not responsible for misplaced or lost items. Please make sure toys, blankets, etc are not brought to the nursery.

On Sundays, children (ages 0-8 years) must be dropped off by an adult. A nursery staff person will take the children to their Sunday school class (Pre-school-2nd). The Sunday school teachers can bring the children back to the nursery if the child was first checked into the nursery.

Children must be picked up within fifteen (15) minutes of when the event ends, and parents are paged if they are not picked up within this time period.

Check with the Nursery Staff on the policy of bringing food into the nursery for your child(ren). In most cases you are asked to feed your child(ren) before bringing them to the nursery.

Speak to the Nursery Supervisor about the care we can provide for child/teenager with special needs.

The Nursery cannot accept sick children.

**Thank you for
letting us be
a part of
your family.**
